KORANDO

KORANDO – RUGGED VERSATILITY AND CLASSIC STYLE

Ssangyong's Korando 4WD sport utility vehicles are based on traditional design and classic styling. They have a proven track record of being tough, durable, and safe vehicles for transporting people and cargo on or off road, in all types of weather conditions, and in remote areas. The Korando is offered in 4 series: R, RS, RV(Diesel) and RX2.6i(Gasoline). The R Series offers rugged utility and practicality. The RS Series has additional equipment and features, while the top-of-the-line RV Series is equipped with a more powerful diesel engine. The RX2.6i Series offers the top sport luxury with gasoline engine power.

KORANDO R SERIES

KORANDO - 4
2-door, 4-seat

KORANDO - 5
3-door, 5-seat

3-door, 6-seat

KORANDO - Glass Van
3-door, 2-seat
(RHD 2-seat)

KORANDO - 9
3-door, 9-seat

KORANDO - Ambulance
3-door, 5-seat + 1
patient berth

To meet your requirements, whatever they may be, the Korando R Series is available in the six versions shown here. The Korando R Series and the Korando RS Series are also available in right-hand drive.

The Korando is currently exported to over 50 countries on 4 continents, so wherever you want to go, you can be sure that your Korando's superb on/off road capability and endurance will get you there.

*The Korando is a vehicle that can do it all.
It features an enhanced interior to keep you and your
passengers comfortable and snug. Tough, beast-like,
on the outside with a heart of gold inside.*

• Power assisted steering.

• Instrument panel light (Rheostat).

• AM/FM cassette with 4 speakers (except R series).

• Illumination and windshield wiper combination switch controls.

• Illuminated ignition with warning chime.

• LED quartz clock.

• Front seat center console box.

• Arm rest.

• Convenient front driver's seat storage drawer.

• Remote control fuel lid opener

The Korando features an all-new cloth trim interior which exudes comfort, confidence, and prestige.

•Driver's seat is height adjustable.

•Reclining front seats.

•Adjustable front seat headrest.

•Rear Korando-5 touring seats with a comfortable folding armrest at each and each seat individually reclines.

•Rear passenger seats on the Korando-5 fold up for extra cargo room.

•The Korando-5 is equipped with a rear door for convenient cargo loading & unloading.

•The Korando is equipped with an upgraded 4,500Kcal/h climate control system.

*When the weather or terrain demands 4WD use
the Korando willingly offers a helping hand.*

• With all the option package

**2,559 cc 4ZE1
GASOLINE ENGINE**
(RX2.6i EDITION)
120 PS at 5,000 RPM (DIN)
128 PS at 5,000 RPM (SAE GROSS*)

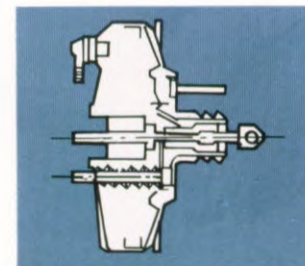

•Manual locking free wheeling hubs

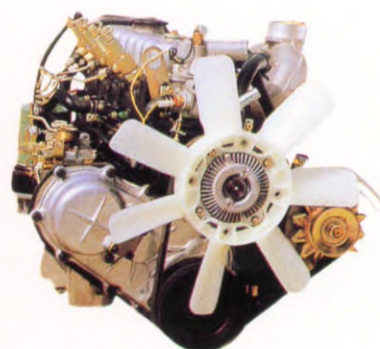

•Auto locking free wheeling hubs
(RX 2.6i)

**2,498 cc XD3P
DIESEL ENGINE**
(RV EDITION)
79 PS at 4,500 RPM (DIN)
85 PS at 4,500 RPM (SAE GROSS*)

•9" Tandem Brake.

**2,238 cc DC23
DIESEL ENGINE**
(R & RS EDITION)
68 PS at 4,300 RPM (DIN)
72 PS at 4,300 RPM (SAE GROSS*)

•Each Korando is also equipped with power, dual circuit, ventilated front disc and rear drum brakes, as well as antiheat, high durability brake pads.

* Calculation based on DIN rating.

•L.S.D (Limited Slip Differential)
The Korando is available with an optional limited slip differential which provides improved handling, performance, and stability.

•Korando without L.S.D.

•Korando with L.S.D.

KORANDO 4WD KEEPS YOU IN MOTION

Rally Tough!

In 1990, 1991, and again in 1992, the Ssangyong Korando-4 distinguished itself by winning the annual Cyprus Rally Series over one of the most grueling and rugged courses in the Mediterranean. The 2.3l diesel engine powered Korando-4 continues to beat out the world's toughest 4x4 competitors.

Strength, Performance, Economy, and Safety.

Each Korando R and RS is equipped with a 2.238l, 4 cylinder, water cooled DC23 diesel engine with swirl chamber and quick start that produces 68 PS at 4,300 RPM (DIN), as well as a 5-speed synchromesh transmission to provide an optimal combination of performance and economy.

The Korando RV series is equipped with a 2.498l XD3P diesel engine that produces 79 PS at 4,500 RPM (DIN), as well as a 5-speed synchromesh transmission.

The Korando RX2.6i series is equipped with a 2,559l gasoline engine that produces 120 PS at 5,000 RPM (DIN).

For additional fuel economy, each Korando is equipped with free-wheeling hubs as standard equipment.

To enjoy 4WD, the Korando is equipped with a 2-speed transfer case.

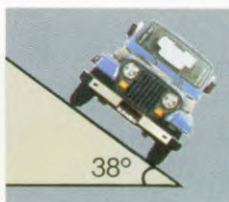

Once in 4WD, you can confidently negotiate adverse on/off road conditions such as snow, water, mud, sand, gravel, and steep slopes.

The Korando's box-section steel frame is designed and built to provide strength and safety. For additional durability and safety, the body of each Korando is built with extra thick steel.

•Part-time 4WD system.

(Based on K-6R)

	GRADEABILITY (MAX)	APPROACH/DEPARTURE ANGLES (MAX)	CROSS-SLOPE ANGLE (MAX)
K-4	55°	45°/30°	38° (40°)*
K-5	49°	45°/30°	38° (40°)*
K-6	45°	45°/30°	38° (40°)*
K-9	39°	45°/20°	41°*

*IF EQUIPPED WITH LT215/75R15 RADIAL TIRES.
