CELEBRITY

1987

Celebrity is the Chevrolet that gives you more. More of the value you're looking for in a mid-size automobile.

LOTS OF ROOM. When it comes to room, Celebrity is a true mid-size car.

- Standard seating holds six adults—comfortably.
- Trunk space accommodates more than 16.2 cu. ft. of luggage and gear.
- Two interior trim levels—standard or optional Custom CL—let you choose your level of luxury.
- A variety of front seat configurations allows you to personalize your new Celebrity.

SOLID PERFORMANCE.

- Front drive gives Celebrity traction and responsiveness.
- A Tech IV 2.5 L4 engine/3-speed automatic transmission power team is standard.
- The optional 2.8 Liter V6 with MFI strides eagerly through its power curves.

Available Wagons.

DISTINCTIVE STYLING. Celebrity's wedge-shaped profile is stylish and contemporary. Plus, additional refinements inside and out make this automobile more attractive than ever in '87.

■ Smooth, composite halogen headlamps with integrated side marker lights fit flush with the body work. Standard halogen lamps light the way more brightly than conventional bulbs.

■ The instrument cluster and analog speedometer feature new graphics for '87.

■ Ashtray and glovebox lights, headlamp-on reminder tone and dual horns are standard.

MANY MODELS TO CHOOSE FROM.

■ The six-passenger Celebrity is available as a coupe, sedan and wagon.

■ The sporty Eurosport, also available in coupe, sedan and wagon body styles, is inspired by the European exotics and demonstrates a flair and performance all its own.

■ Celebrity Wagons, available in standard, Eurosport or Estate simulated wood-grain decor, can transport as many as eight passengers (with optional seating) or as much as 75.1 cu. ft. of cargo.

All of which leads to the most important "more" of all: value. Chevrolet builds plenty of value into every Celebrity model. What more could you want?

CELEBRITY EUROSPORT

Welcome to Eurosport, the performance-equipped Celebrity.

EUROSTYLE.

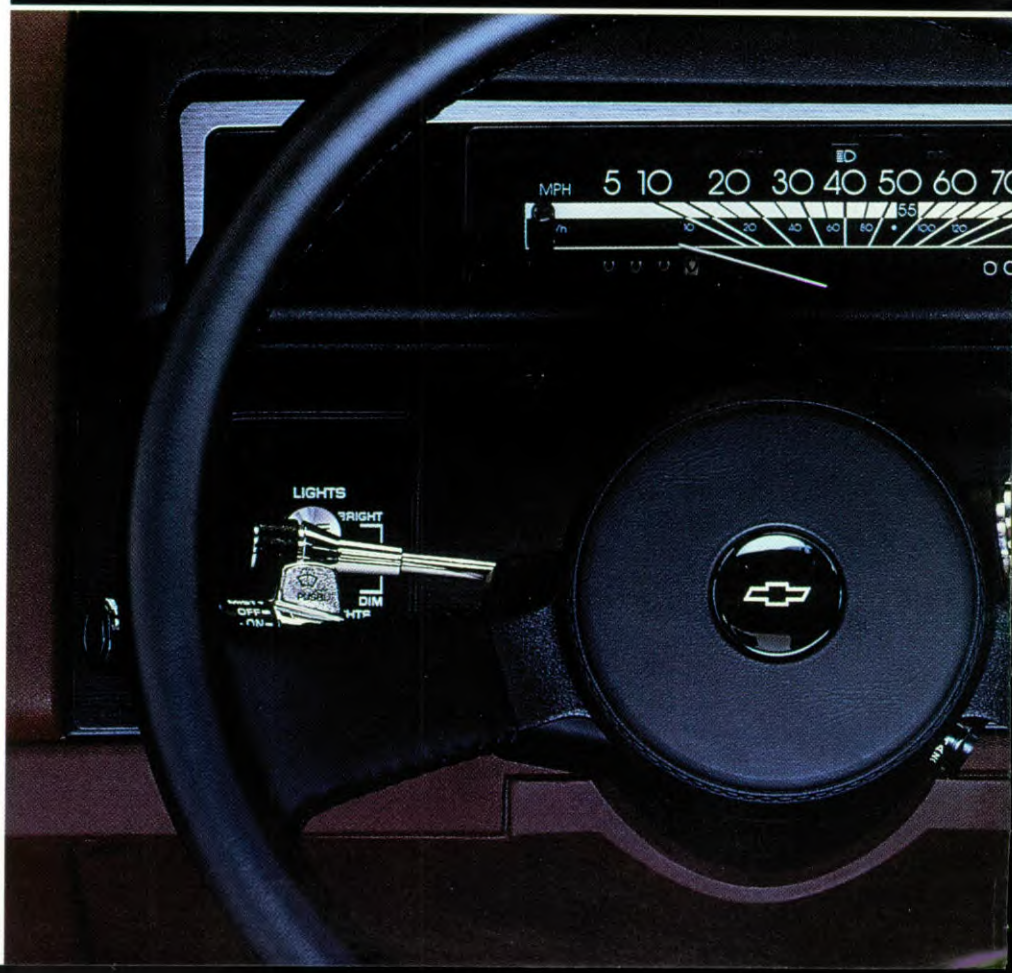

- Sporty jet-black trim and matte-black hardware are set off by fire-red accents and nameplates above the wide body side moldings.
- The new flush-mounted composite headlamps give Eurosport a trim, aerodynamic look.
- Standard Rally Wheels with trim rings complement Eurosport's racy styling. Newly styled aluminum wheels are optional.
- Exterior colors include optional custom two-toned finishes—the Black and Light Brown metallic combination is exclusive to Eurosport.

EUROFORCE.

- Front-drive stability and traction.
- Taut F41 Sport Suspension with gas-pressure rear shocks and MacPherson front gas struts delivers a smooth ride and deft maneuverability.
- Fast-ratio power rack-and-pinion steering means Eurosport responds quickly to commands.
- The 2.8 Liter V6 engine with Multi-Port Fuel Injection (MPI) is optional.
- The 14" Rally Wheels with trim rings are shod with steel-belted all-season P195/75R-14 radials.
- Power front disc/rear drum brakes are standard as well.

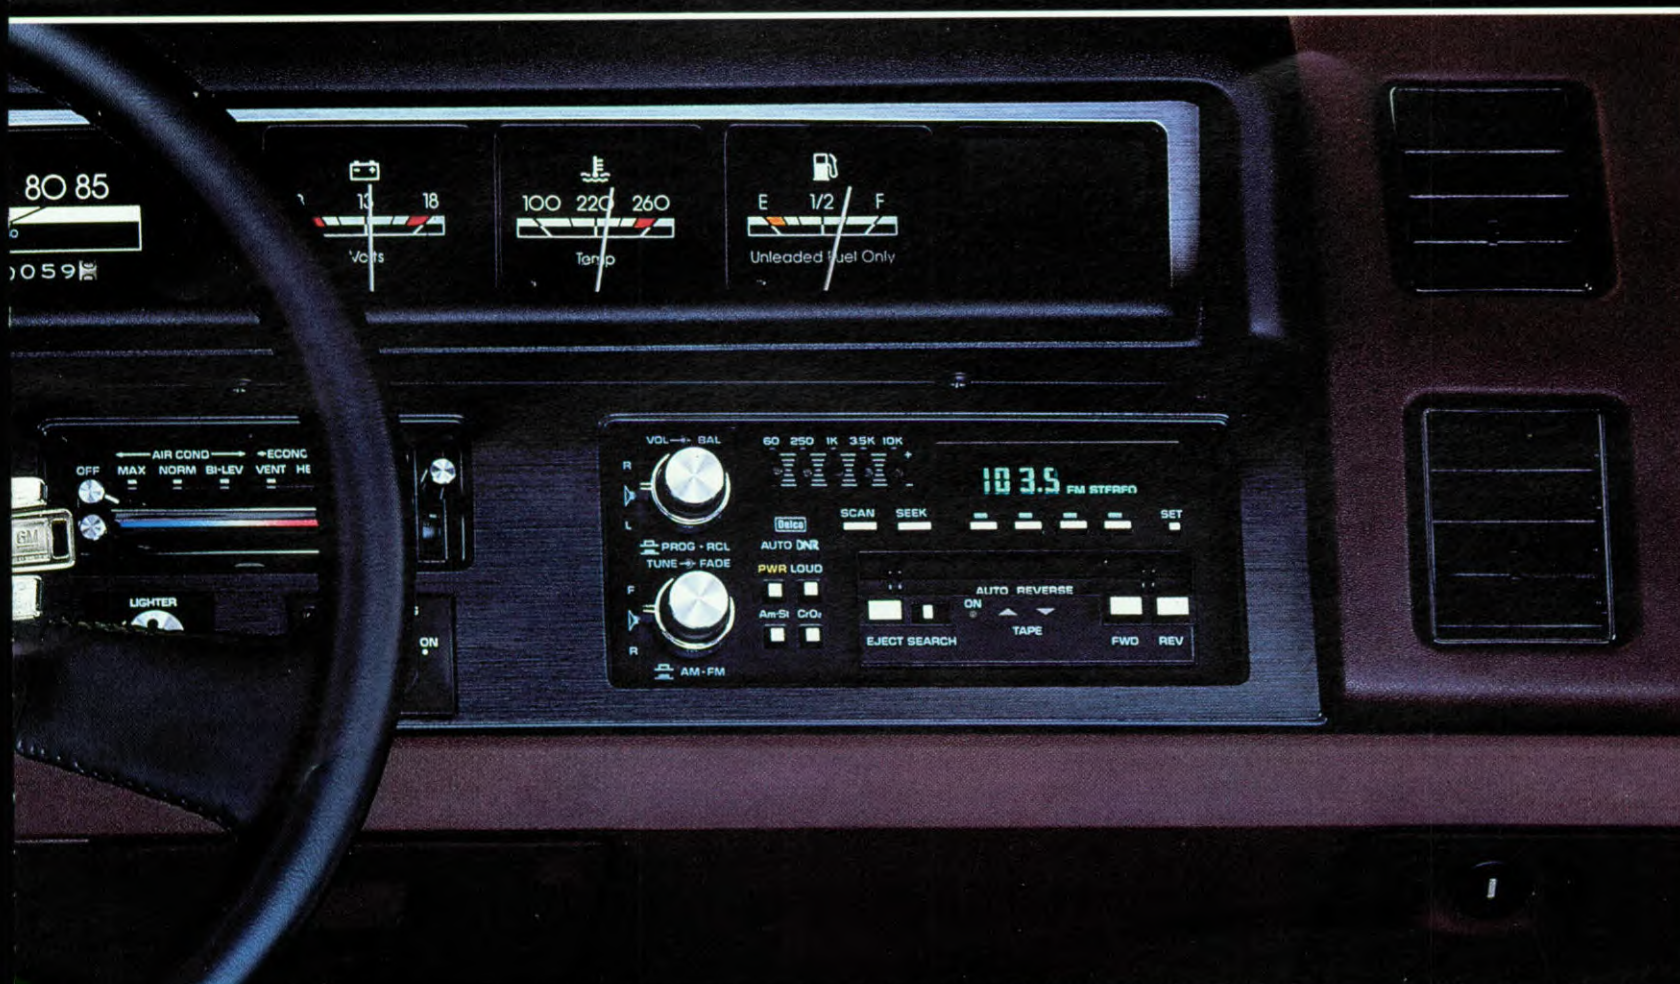

EUROHEART.

- The redesigned instrument cluster features analog instrumentation.
 - The new padded Sport steering wheel feels substantial to the hand.
 - Front bucket or 55/45 or 45/45 front seating is optional.
 - The optional Custom CL interior features contoured seating.
- Celebrity Eurosport. Beckoning you to the splendor of the open road.

Celebrity Eurosport Sedan with these options: Two-Tone paint in Dark Maroon Metallic over Silver Metallic and aluminum wheels.

New standard Eurosport instrument panel features analog instrumentation, bold new graphics and standard Sport steering wheel. Optional gage package, air conditioning and AM/FM stereo music system with cassette also shown.

CELEBRITY

Celebrity is America's best-selling mid-size car.*
Here are some important reasons why.

EXTERIOR SIZZLE.

- Rounded contours and a high rear deck are the hallmark of Celebrity's distinctive styling.
- New flush-mounted composite halogen headlights and side markers add even more panache.
- All-season radials rest on 14" wheels.
- 16.2 cubic feet of carpeted trunk space mean there's plenty of room for loads of gear.
- Twelve solid colors, plus five optional two-tones.

MECHANICAL EXPERTISE.

- 2.5 Liter Tech IV L4 engine with Electronic Fuel Injection is standard.
- Or option up to the 2.8 Liter V6 with Multi-Port Fuel Injection for additional road dash.
- Celebrity is built on a platform that features front-

drive traction and stability.

■ Accurate power rack-and-pinion steering, coupled with MacPherson-strut suspension and front stabilizer bar, delivers responsive handling and a pleasant ride.

EXPANSIVE INTERIOR.

- Spacious, six-adult seating capacity is standard.
- The cloth bench seat features a handy pull-down center armrest.
- The new instrument panel cluster includes headlamp-on reminder, glovebox and ashtray illumination.
- Dual horns sound a sporty note.

Put it all together and you have Celebrity—comfortable, stylish, affordable. Just what you want in your mid-size car.

CELEBRITY

ENGINEERING

Celebrity puts technology to work for you. That's part of what makes it an automobile in touch with today's driving demands.

On these pages you'll see detailed some of the advanced systems that make Celebrity such a fine car.

OPTIONAL 2.8 LITER V6 ENGINE WITH MULTI-PORT FUEL INJECTION.

This gutsy 2.8 V6 is a powerful engine for the performance seeker. And it has been substantially improved for 1987.

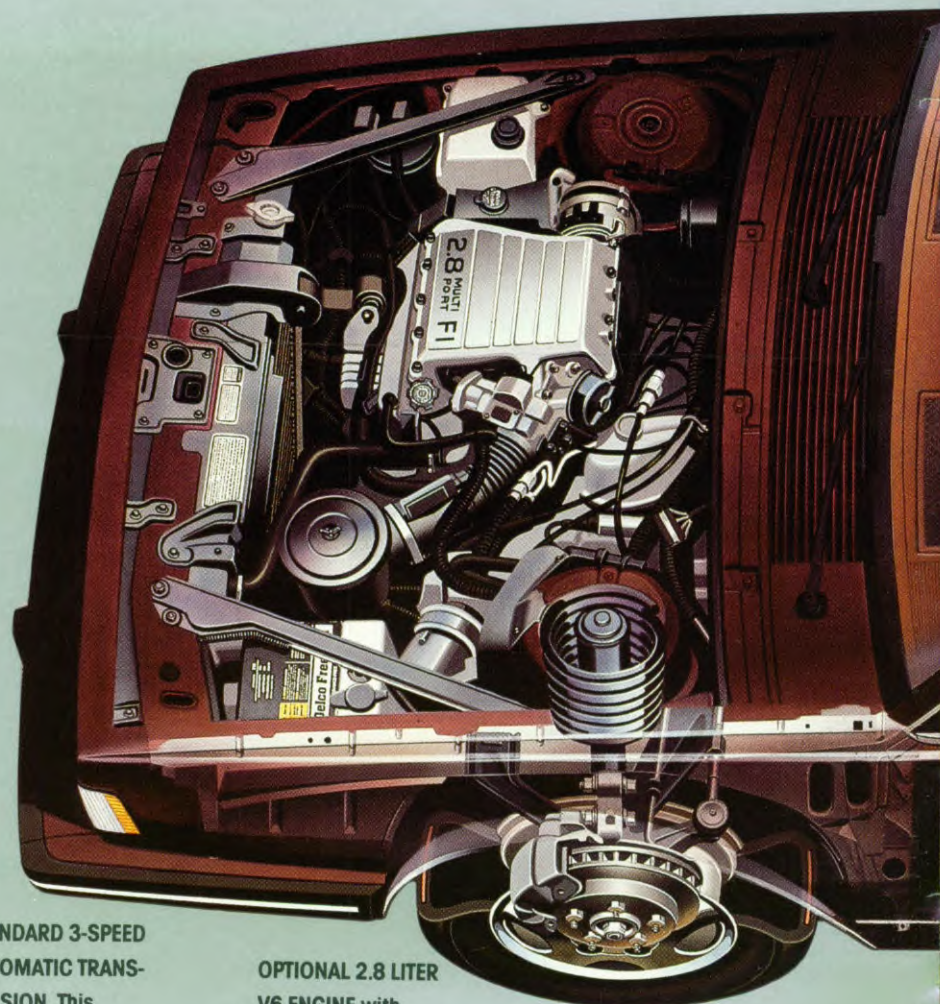

■ The Multi-Port Fuel Injection system is designed around six individual runners that feed maximum air to each cylinder. A computerized module controls each injector and continuously monitors and compensates for changes in air mass, altitude, temperature and humidity. The result is an engine that functions precisely and efficiently.

■ Aluminum cylinder heads with fast burn combustion chambers, centralized spark plugs and canted valves are lighter in weight and ignite fuel more efficiently.

■ The compression ratio is increased to 8.9:1.

■ Distributorless ignition helps eliminate timing adjustments. Electronic spark control helps eliminate pinging and knock.

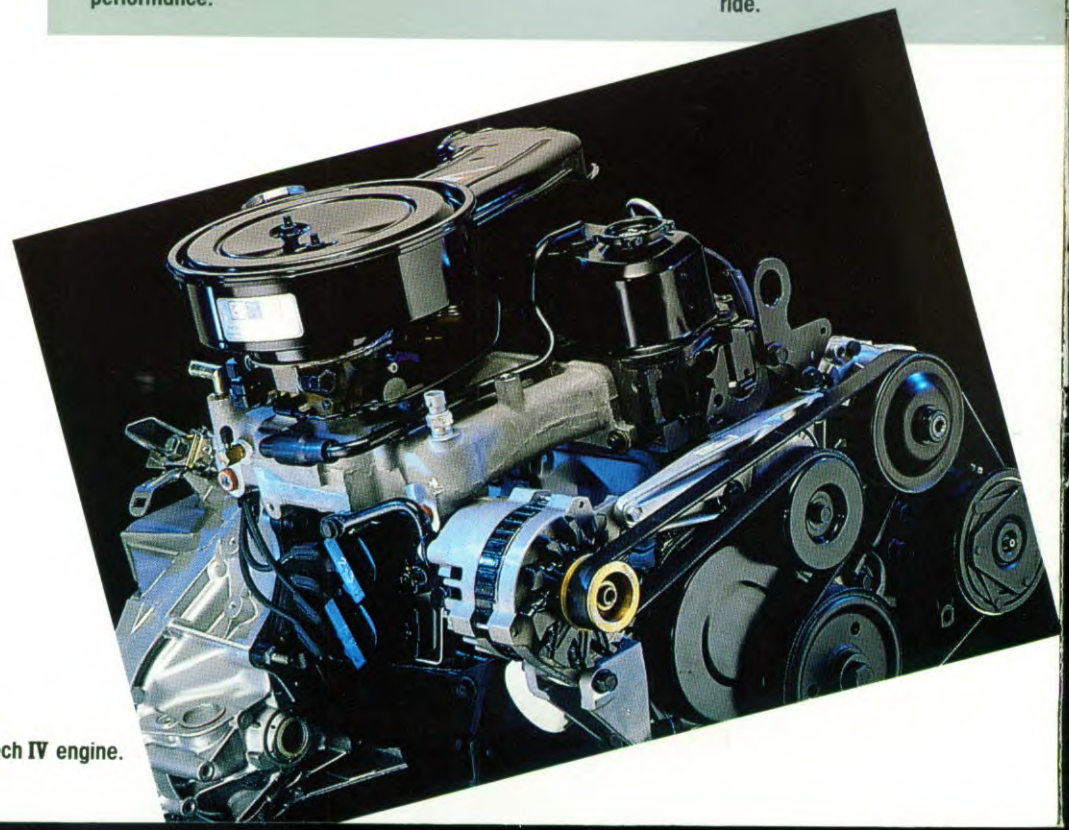

These and additional mechanical changes mean this engine starts easier and runs more efficiently than ever before.

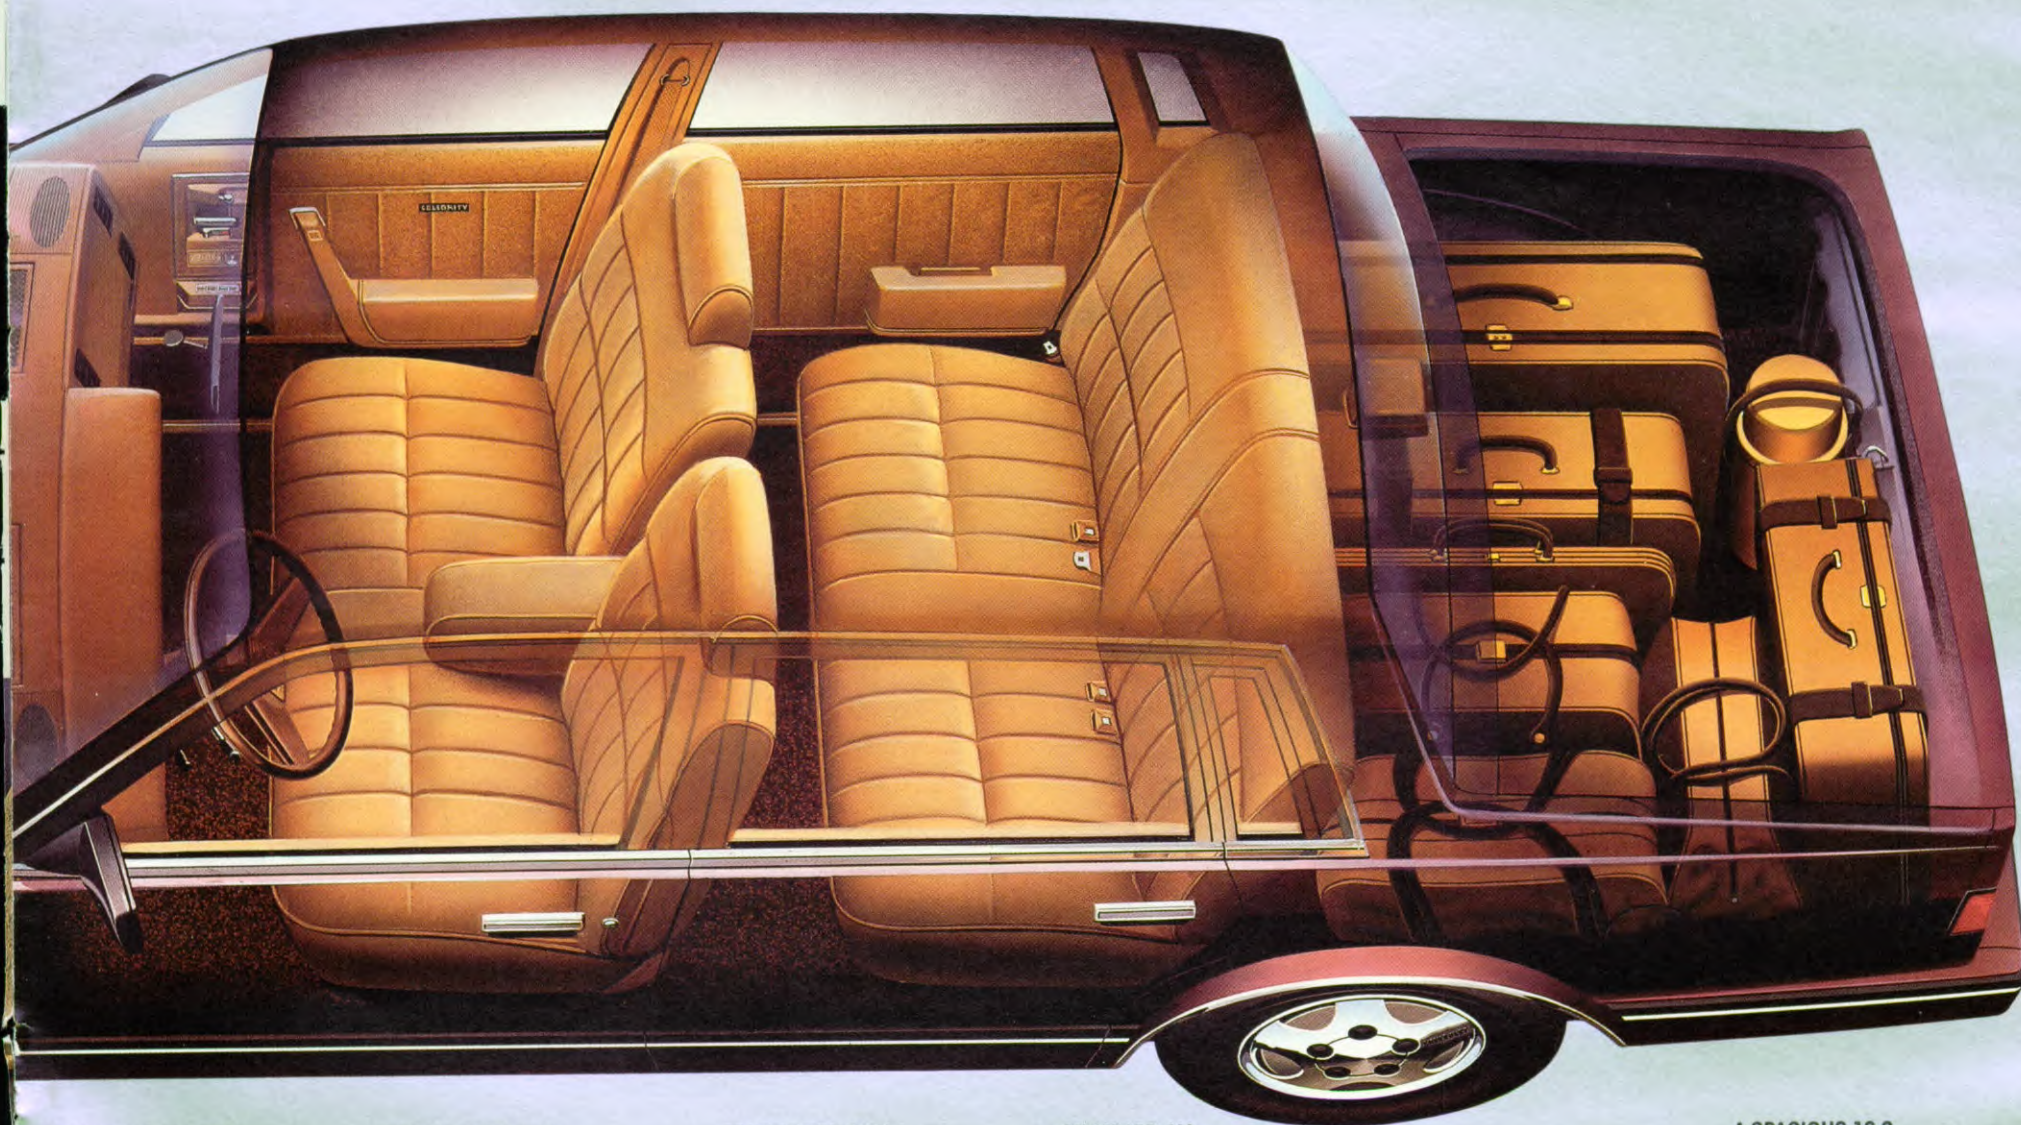

STANDARD 3-SPEED AUTOMATIC TRANSMISSION. This smooth-shifting automatic with efficient torque converter clutch combines with the standard 2.5 Liter Tech IV engine to provide satisfying performance.

OPTIONAL 2.8 LITER V6 ENGINE with Multi-Port Fuel Injection delivers 125 horsepower at 4500 RPM.

ADVANCED MacPHERSON-STRUT FRONT SUSPENSION and standard front stabilizer bar help Celebrity deliver a smooth, controlled ride.

2.5 Liter Tech IV engine.

POWER FRONT DISC/REAR DRUM BRAKES are standard on every Celebrity. Audible wear sensors signal when front disc pads need replacement.

POWER RACK-AND-PINION STEERING is standard. You'll appreciate the precise response this system delivers.

SEATING FOR SIX is standard on every Celebrity model. Other standard interior conveniences include power ventilation system and side window defoggers.

STANDARD ALL-SEASON STEEL-BELTED RADIAL TIRES combine with Celebrity's front-drive design to provide impressive traction under adverse weather conditions.

CELEBRITY CONSTRUCTION is based on a rugged unitized body with double-panel doors, hood and deck lid or tailgate.

A SPACIOUS 16.2-CU.-FT. TRUNK is sized for family vacations. For even larger needs, Celebrity Wagon delivers up to 75.1 cu.ft. of cargo space.

STANDARD 2.5 LITER TECH IV ENGINE WITH ELECTRONIC FUEL INJECTION.

This engine boasts important improvements for 1987.

- A revised cylinder head and intake manifold design increases air flow. You can feel the result.
 - A single belt with built-in tensioner drives all accessories, eliminating the need for tension adjustments and reducing noise.
 - A distributorless direct ignition system helps eliminate timing adjustments.
- Other significant features of this engine include:
- A revised throttle body fuel injection system controlled by an on-board computer.
 - Automatic adjustments for altitude and weather.
 - Simple "turn-key" starting, hot or cold.
 - Self-adjusting idle to reduce stalling.
 - Lightweight alternator.
 - Sound deadener in air cleaner lid.

IMPORTANT: A WORD ABOUT THIS CATALOG. We have tried to make this catalog as comprehensive and factual as possible. However, since the time of printing, some of the information may have been updated. Also, some of the equipment shown or described throughout this catalog is available at extra cost. Your dealer has details and, before ordering, you should ask him to bring you up to date. The right is reserved to make changes at any time, without notice, in prices, colors, materials, equipment, specifications and models. Check with your Chevrolet dealer for complete information.

A WORD ABOUT ASSEMBLY, COMPONENTS AND OPTIONAL EQUIPMENT IN THESE CHEVROLETS. The Chevrolets described in this catalog are assembled at facilities operated by General Motors or GM of Canada. These vehicles incorporate thousands of different components produced by car groups and various component divisions of General Motors, and by various suppliers worldwide to General Motors. From time to time during the manufacturing process, it may be necessary, in order to meet public demand for particular vehicles or equipment, or to meet federally mandated emissions, safety and fuel economy requirements, or for other reasons, to produce Chevrolet products with different components or differently sourced components than initially scheduled. All such components have been approved for use in Chevrolet products and will provide the quality performance associated with the Chevrolet name.

With respect to extra-cost optional equipment, make certain you specify the type of equipment you desire on your vehicle when ordering it from your dealer. Some options may be unavailable when your car is built. Your dealer receives advice regarding current availability of options. You may ask your dealer for this information. GM also requests the dealer to advise you if an option you ordered is unavailable. We suggest that you verify that your car includes optional equipment you ordered or, if there are changes, that they are acceptable to you.

GM PROTECTION PLAN. The GM Protection Plan offers service protection in addition to that provided by GM's new-vehicle limited warranty. Ask your dealer about it. Coverage available only in U.S. and Canada.

A WORD ABOUT UPDATED SERVICE INFORMATION. Chevrolet regularly sends its dealers useful service bulletins about Chevrolet products. Chevrolet monitors product performance in the field. We then prepare bulletins for servicing our products better. Now you can get these bulletins, too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.

A WORD ABOUT ENGINES. Chevrolets are equipped with engines produced at facilities operated by GM car groups, subsidiaries or affiliated companies worldwide.
