

# ACCESSORIES

**The people who are going to buy  
Freelander are individuals. They know  
exactly what they want, and what they  
need. So naturally they want to design  
and style their own unique vehicle.  
At Land Rover we think in just the same  
way. With Freelander, we're giving you a  
unique opportunity to express yourself.  
In the biggest range of specially engineered  
accessories you'll find anywhere, you  
can browse, create and innovate.  
Design the Freelander that is special to you.**

**The Best 4x4xFar**

**INSPIRED BY INNOVATION**

**For nearly three decades, Land Rover has led the world in luxury four wheel drive enjoyment. Freelander is the finest expression of this enviable heritage. It has been created for those who choose to go their own way.**

**PUR**

**RPOSE DESIGNED**

**Naturally, we've taken into account everything you'd normally expect from a comprehensive accessories range. The practical items, the safety features; the things that help you live out your lifestyle to the full.**

**But we've also gone much further; creating items that will help you express your own personality and dreams. Such as designer body styling skilfully tailored to create precisely the right impact.**

**We considered all the detail touches that can make such an impression; from the styling of alloy wheels, to protective features for the more adventurous.**

**With an unerring attention to detail, we looked at everything you might want or need; and created the largest range of accessories ever.**

**With every new Land Rover,  
there are always surprises  
which also delight. Freelander  
is the Land Rover you can  
design for yourself – for your  
personal needs and  
requirements, and for those  
you love.**

**Go where you please,  
when you please.  
Confident in  
Freelander's pedigree  
and originality.  
In a world where there  
are too many  
lookalikes, freedom  
and individuality  
matter more and more.**
