LAND ROVER

Discovery

With Discovery, every drive is an adventure. No other 4x4 gives you the freedom and opportunities to express yourself and your aspirations so completely. Whether you're tackling the thrills of rugged, mountainous terrain or cruising through the city, Discovery is about exploring possibilities.

With Discovery's unrivalled versatility in mind, Land Rover have designed a new range of accessories to add your own individual touch and to help you make the most of the world's most versatile 4x4. For work or leisure, the products in this brochure will enhance the outstanding style, performance and capability of your Discovery. All accessories are fully style-compatible and are Land Rover Genuine Approved Parts, built and tested to the exacting Land Rover standards of toughness and performance. Whatever your lifestyle, interests and personality, Discovery accessories give you the freedom to follow your own road.

FRONT BARS

UP FRONT PROTECTION

Playing rough off-road, driving along re-surfaced tracks or simply negotiating car parks in town can mean bumps and bruises. Protection bars, designed to blend with Discovery's overall good looks, will protect corners, lamps and lenses from chance encounters on or off-road.

*Polymer Front Bar
- A frame for
impact protection*

LIGHTING & PROTECTION

- VISIBILITY, SAFETY

Shed new light on the experience and adventure of the Discovery drive. The range of Discovery's lighting accessories optimise safety when driving in difficult conditions, at night, or through thick fog.

If you're driving off-road on uneven terrain or on a stony surface the lamp guards and headlamp protectors will shield the lamps from damage.

DISCOVERY ACCESSORIES

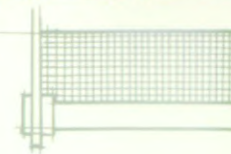

From lamps to wheels to towing equipment and interior enhancement - there's a Discovery accessory to suit every lifestyle. Enjoy family touring with added extras such as specialist towing equipment for trailers, caravans or boats. Transport sports equipment in all shapes and sizes - there are exclusively designed carriers for bikes, windsurfers and both water and snow skis.

*Access and carrying equipment
for all lifestyles and needs*

A selection of 3 Alloy Wheels

A range of side protection bars and steps

Front protection bars and lighting

Good looking, practical and safe - enhance your Discovery with extra lamps for the optimum in safe driving in difficult conditions. Or add a sporty look by choosing from the range of alloy wheels.

Picnic tables, a refrigerator, air conditioning, purpose-designed storage - Discovery accessories anticipate your every need, even down to somewhere to stash your sunglasses!

Equip your vehicle with the Discovery accessories to suit you...and plan for adventure!

DISCOVERY ACCESSORIES

CARRYING

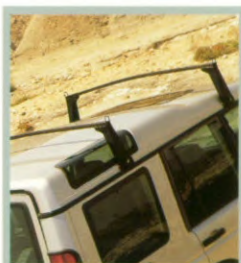

VERSATILE POTENTIAL

*For business or
leisure use - a
flexible range of
carrying options*

Feel free to take almost anything with you when you set out in your Discovery. The range of Discovery's carrying accessories can accommodate your lifestyle for work and play. Specially designed windsurfer and ski carriers, good looking luggage boxes and roof racks, not forgetting a sturdy ladder which gives you easy access to the roof of your vehicle. Whatever you want to take with you, Discovery can cope with the load.

TOWING

AND WINCHING

The versatility of the Discovery knows no bounds. Whether you are holidaying and hooking up to a boat, caravan or trailer, or using your Discovery as a work-horse, there is a towing accessory to exactly meet your particular needs. The effort and strain of hooking up a heavy load is taken care of by an electric winch and a range of charge units will suit all electric requirements.

Life is full of surprises when you're touring with Discovery. Be prepared for every eventuality with this range of emergency and repair equipment and ensure complete peace of mind.

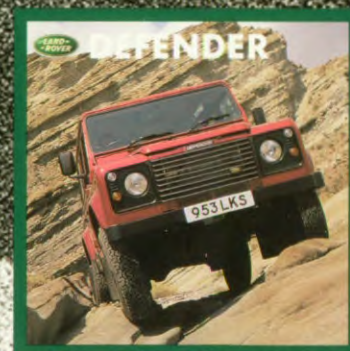

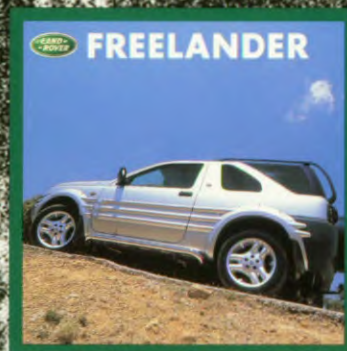

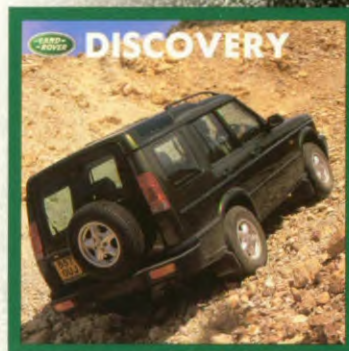

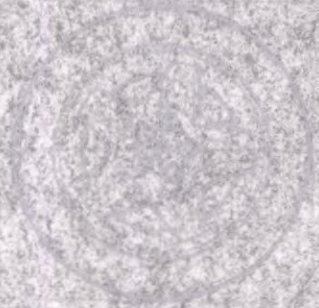

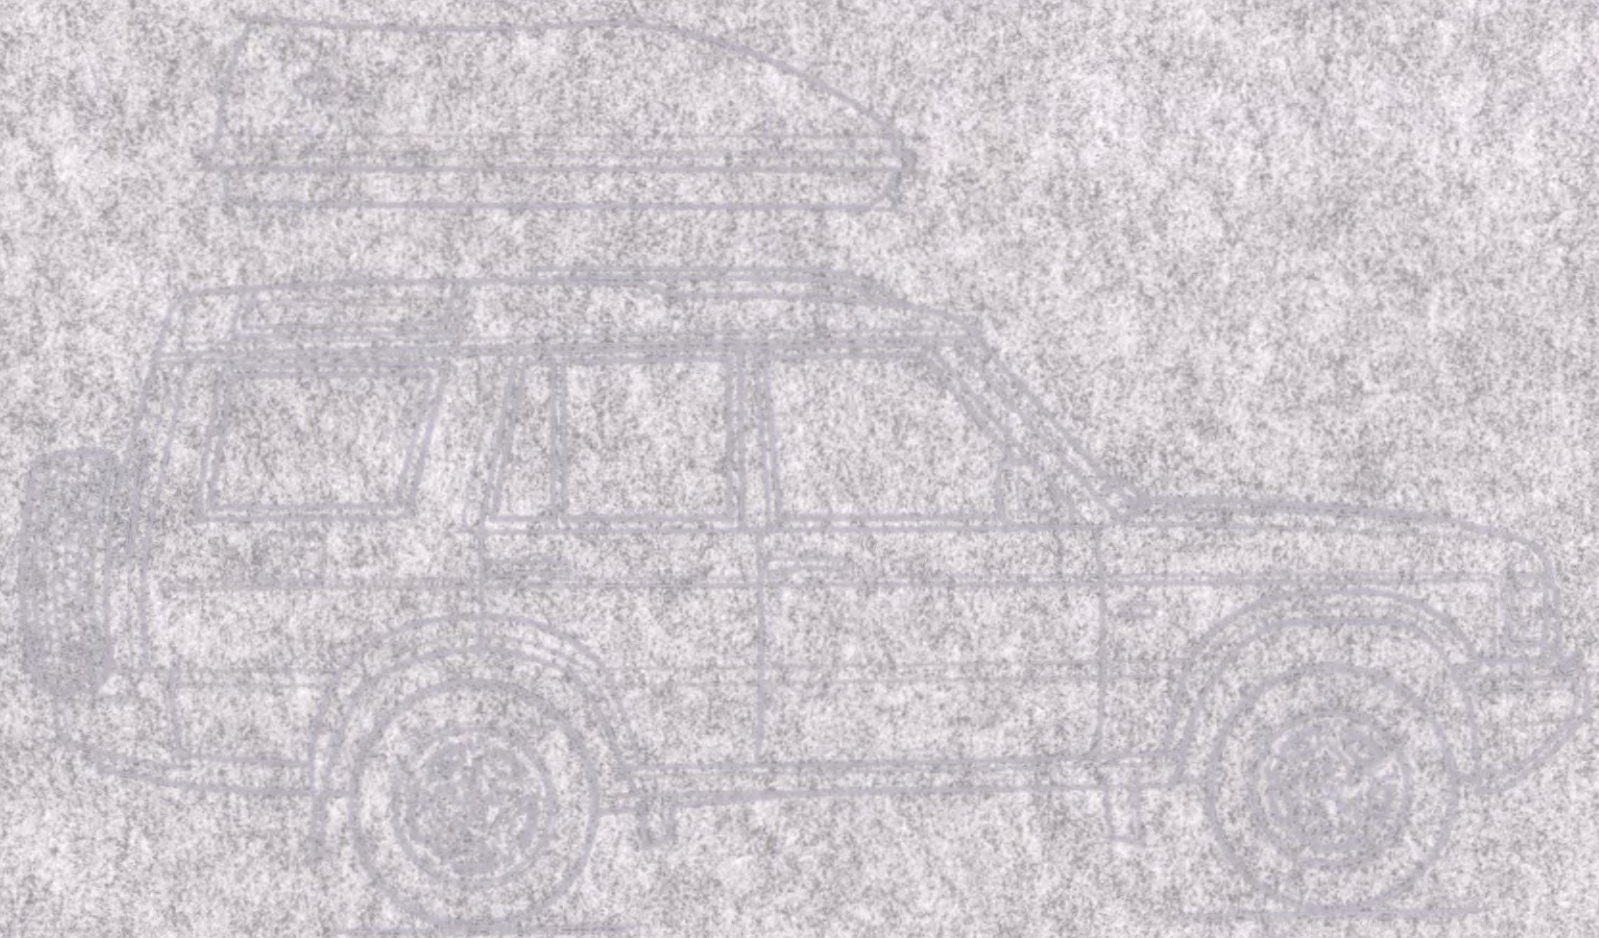

World of Land Rover Accessories

No one has more knowledge and experience of Land Rovers than your Land Rover Dealer. And no one is better qualified to fit the accessories in this brochure. Land Rover Accessories are much more than frills and trimmings - they're an integral part of your vehicle, designed and built to the same exacting standards as Land Rover itself, and as much a part of the vehicle as the wheels and engine. These Accessories will deliver the kind of rugged performance and durability that you would only expect from a product with the Land Rover marque, and are protected by a 12-month, unlimited mileage warranty.

So when it comes to fitting your Accessories, get it right first time. The specialist technicians in your Land Rover Dealership have the skill, the know-how and the tools to build these products into your vehicle, as well as direct access to the largest and fastest Parts and Accessory service in the world. It only makes sense to have your accessories fitted by the experts. That's why Land Rover recommend that your Accessories are fitted by your Land Rover Dealer.

LAND ROVER
DISCOVERY ACCESSORIES

SPECIFICATIONS

DISCOVERY

Front Bars (Pages 2/3)

PROTECTION BARS

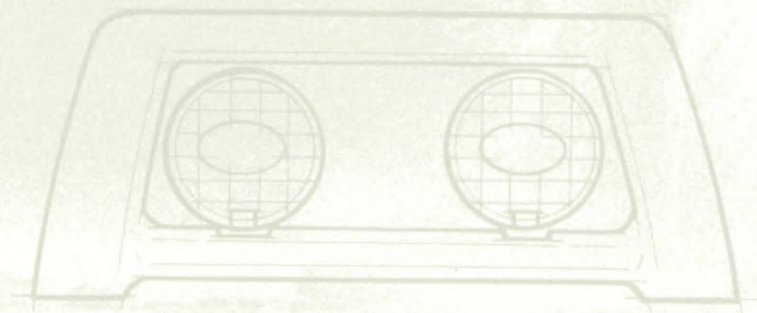

Resist parking knocks with these good-looking front protection bars, available either in wraparound or A frame style. Designed not to interfere with airbag deployment, the bars can be fitted with Rally 1000 lamps.

- STC50020** Protection bar, wraparound
- STC50021** Protection bar, A-frame

STEEL NUDGE BARS

Enjoy ultimate forward protection with these steel, corrosion-resistant nudge bars, available in wraparound or A-frame style. Choose from black nylon-coated or hand polished stainless steel finish for a robust and stylish appearance. Discovery steel nudge bars can be fitted with Safari 5000 lights and are engineered to meet EEC lighting legislation. Wraparound nudge bars feature removable lamp protection slats. Designed not to interfere with airbag deployment.

- STC50022** Nudge bar, wraparound, black
- STC50023** Nudge bar, wraparound, stainless steel
- STC50024** Nudge bar, A frame, black
- STC50025** Nudge bar, A frame, stainless steel

Lighting & Protection (Pages 4/5)

SAFARI 5000 LAMPS

55W quartz halogen bulbs with powerful lens technology are an exclusive Land Rover design. The lamp body is impact resistant with an integrated removable stone guard. Available in both fog and driving light patterns.

Available for Fitment to Steel Nudge Bars STC50022, STC50023, STC50024, STC50025

STC8480	Safari 5000 driving lamp, single
STC8481	Safari 5000 fog lamp, single
STC8814	Steady bars, pair
STC50039	Auxiliary lamp wiring kit
STC50097	Moulded Lamp Covers, pair

RALLY 1000 LAMPS

Powerful and strong, these lamps are available in both driving and fog pattern with stone guards featuring the Land Rover logo.

Available for fitment with Protection Bars STC50020 & STC50021

STC7644	Rally1000 driving lamp, single
STC7643	Rally 1000 fog lamp, single
STC8814	Steady bars, pair
STC50039	Auxiliary lamp wiring kit
STC7661	Moulded Lamp Covers, pair

FOG LAMPS - SPOILER MOUNTED

Especially designed for the Discovery, these integrated lamps are for mounting on the front spoiler. With moulded surrounds for a neat appearance and optimum height installation to enhance visibility in poor light conditions.

Available for Trim Level 1

STC50029	Fog lamps, spoiler mounted, pair
STC50162	Adhesive

LAMP GUARDS

Made from an impact resistant composite material with a moulded design which follows the unmistakable contours of the Discovery. They are available for the front and rear, easily removed for lamp cleaning and meet EEC light regulations.

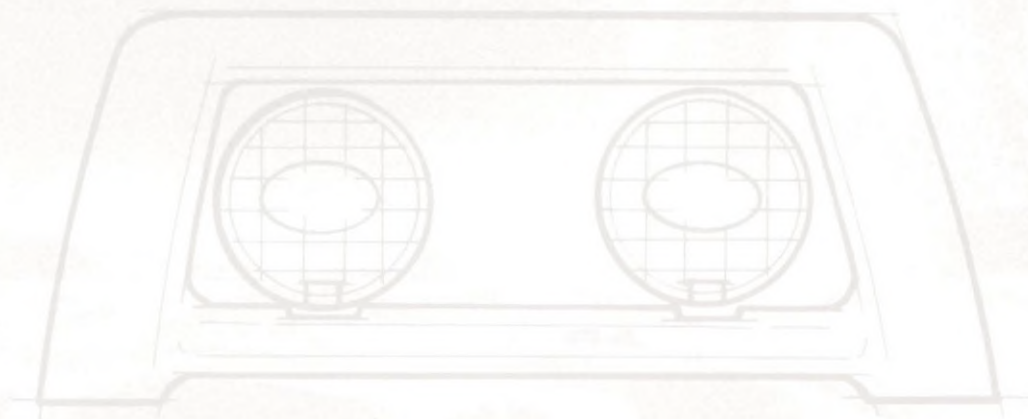

Available for all Trim Levels BUT will not fit with Wraparound Steel Nudge bars or Wraparound Protection Bars

STC50026	Lamp guards, removable, front pair
STC50027	Lamp guards, removable, rear set of four

ACRYLIC HEADLAMP PROTECTORS

To protect front lens from stone damage and made of tough acrylic for maximum light transmission, this clip on design does not require drilling and meets EEC light output legislation. Also available in the form of a Continental Headlamp Converter.

STC50064	Headlamp protectors, pair
STC50065	Continental Headlamp Converters, pair

Carrying (Pages 8/9)

ROOF RAIL EXTENSIONS

These extensions can be fitted to the Roof Rails as an enhanced styling feature, and to enable a variety of loads to be carried, including top boxes and sports carrying equipment.

Available for Trim Levels 2, 3 & 4

STC50034 Roof Rail Extensions

LOCKABLE CROSS BARS

To carry a variety of loads these bars can be used in conjunction with Roof Rails and Roof Rail Extensions. With asymmetric, airfoil shape and manufactured from black, powder coated aluminium they are lockable for total security.

Available for Trim Levels 2, 3 & 4

STC50175 Lockable Cross Bars, pair

ROOF RACK

Supplied with full load bed for luggage and bulky loads and tested for security and durability in both on and off road driving. They're made from durable nylon and polyester coated steel with an aluminium load bed and can be easily removed when not required. They will fit over roof rails if fitted and will clamp to the roof gutter.

RTC9539AC Roof Rack

SPORTS BARS

Especially designed for transporting a variety of loads including top boxes and sports carrying equipment. They will fit over roof rails if fitted and will clamp to the roof gutter.

STC8057AC Sports Bars, pair

ACCESS LADDER

If you use your Discovery for travelling or touring you will need easy access to the equipment or luggage on the roof. This ladder can be secured permanently to fit the rear door.

STC50134 Access ladder

SKI AND SNOW BOARD CARRIER

Designed to transport the awkward cargo of skiing equipment. This easy lock carrier is manufactured from glass re-inforced nylon composite, has fully adjustable positioning and holds 4 pairs of skis and poles and 2 snowboards.

Available for fitment to either Roof Rails with Lockable Cross-Bars or Sports Bars

STC50177 Ski Carrier

SKI CARRIER

Whether you're planning to ski on snow or water the Discovery will take the load. A flexible design which can carry 2 Water skis or 4 pairs of Snow Skis. It is manufactured from glass re-inforced nylon composite and will fit on either Roof Rails with Lockable Cross-Bars or Sports Bars.

STC850174 Ski Carrier

WINDSURFER CARRIER

For total safety and security for the Windsurfer this specially designed carrier has foam pads that ensure the board is protected. It has an adjustable mast holder and is made from rust free materials.

Available for fitment to either Roof Rails with Lockable Cross-Bars or Sports Bars

STC8527 Windsurfer Carrier

LUGGAGE CARRIER

A convenient extra storage facility which is easy and quick to assemble. End tubes can be positioned up or down to create either a flat-bed or basket platform. The luggage carrier is made from light weight aluminium maximising roof carrying potential.

Available for fitment to either Roof Rails with Lockable Cross-Bars or Sports Bars

STC50176 Luggage Carrier

LUGGAGE BOX

Lightweight but strong ABS gives you a carrying capacity of 370 litres. It has dual force lid suspension, upwards when opening - downwards when closing, and a three point central locking system. Internal dimensions: 1750mmL X 820mmW X 365mmH.

Available for fitment to either Roof Rails with Lockable Cross-Bars and Roof Rail Extensions or Sports Bars

STC7627 Luggage box
STC8512 Adaptor kit, fitment of luggage box to cross bars

SKI BOX

Lightweight and strong ABS gives maximum carrying capability. For ease of use it is raised by gas struts and there is a lockable stowage area.

Internal dimensions: 1330mmL X 920mmW X 360mmH

Available for fitment to either Roof Rails with Lockable Cross-Bars and Roof Rail Extensions or Sports Bars

STC7628 Ski box
STC8512 Adapter kit, fitment of ski box to cross bars

Towing & Winching (Pages 10/11)

TOW STRAP

This tough resistant strap in a flat webbing style can pull a safe working load of 3000Kg (6600lb). The storage bag can be folded around the strap for off-road towing and doubles as a warning 'flag'.

STC8919 Tow Strap

TOW BAR KIT

Featuring a swan neck design with two height positions, and includes N type electrics, a tube of grease and protective gloves.

ANR6643 Tow Bar Kit

TOW BAR 13 PIN EUROPEAN SPECIFICATION

Featuring a detachable, lockable swan neck with two height positions, this tow bar includes 13 pin electrics, a tube of grease and protective gloves.

STC50035 Tow Bar, 13 Pin, European Specification

DETACHABLE TOW BAR CONVERSION KIT

Converts ANR6643 into a detachable tow bar design. Retains swan neck design and original electrical system.

STC50036 Detachable Tow Bar Conversion Kit

EXTENSION BOX

Fits to Tow Bar ANR6643. Features a 2 bolt Tow Ball and provides 3 different height positions. Rated at 2500kg maximum towing capacity. Allows fitment of STC50063 Bike Carrier.

STC50038 Extension Box

S TYPE ELECTRICS AND SPLIT CHARGE UNIT

A useful auxiliary socket unit for powering electrics in hooked up caravan or interior refrigerator.

STC50180

S Type Electrics

STC50179

S Type Electrics and Split Charge Unit

COMBINATION BALL/JAW UNIT

For pulling loads up to a 3.5 tonne capacity and requires ANR6643 and STC50038 to be fitted.

RTC8159

Combination ball/jaw unit

BIKE CARRIER, TOW BAR MOUNTED

Ideal for touring when you want to carry bikes as well as hooking up a boat, trailer or caravan. This is a unique Land Rover design which carries two bikes on padded supports to reduce the risk of damage and fits to tow-bar ANR6643 & Extension Box STC50038.

STC50063

Bike Carrier, Tow Bar Mounted

ELECTRIC WINCH

For the ultimate in proving the versatility of the Discovery. Exclusive to Land Rover this remote control operated electric winch has fully reversible power for two way winching. With a fully automatic, load actuated braking system and crash tested to ensure correct airbag deployment it will allow you to effortlessly hook up a load of up to 4080 Kg (9000lbs). The kit includes winch, mounting system and remote control. The winch cover and A Frame Nudge Bar are available separately.

Exterior styling (Pages 12/13)

STAINLESS STEEL SIDE PROTECTION BARS

Protect the sides of your Discovery with this sturdy steel protection bar mounted directly to the vehicle chassis. In premium quality polished steel the side protection bar is stylish and safe, and features integrated mud flaps.

STC50032 Side protection bars, pair, stainless steel

GRAPHIC PROTECTORS

Protect against stone chips and scuff damage with these attractive graphic protectors, die-cut for an accurate fit. Compatible with or without Body Side Mouldings, the Graphic Protectors are available in "Shades" or "Chevron".

STC50040 Graphic Protectors, "Shades"

STC50060 Graphic Protectors, "Chevron"

INTEGRATED SIDE RUNNERS

Getting in and out of Discovery is that much more effortless with these elegant side runners. The sturdy steel design, completely clad in slip resistant rubber, is mounted directly to the vehicle chassis and features integrated mud flaps. Available in "Chevron" or "Oasis" tread-mat patterns.

STC50030 Side runners, pair, "Oasis" design

STC50031 Side runners, pair, "Chevron" design

BODY SIDE MOULDINGS

Defend bodywork from car park scrapes and minor impacts with these body side mouldings, designed for a stylish, gutsy appearance and available with or without a bright insert. No drilling of bodywork is necessary.

STC50061 Body Side Mouldings

STC50168 Body Side Mouldings, with Bright Insert. Both products available January 1999.

ACRYLIC DOOR WIND DEFLECTORS

The tough, clear acrylic design of these wind deflectors incorporates the Land Rover logo and provides draught-free ventilation for four windows. No drilling of bodywork is necessary.

STC50066 Door Wind Deflectors, set of four

Wheels (Pages 14/15)

ALLOY WHEELS AND TYRES

These stunning 3 or 5 spoke designs, complete with jewelled Land Rover logo and fitted with 255/55 x 18 tyres, offer positive steering through greater sidewall stiffness without compromising on off-road capability. Please note that Alloy wheel nut kit is required if upgrading from steel wheels.

STC8546AA	18" Triple Sport wheel and tyre
STC7706AA	18" Five Spoke wheel and tyre
STC50136	18" Pro-line wheel and tyre
STC50080	Alloy wheel nut kit

SNOW CHAINS

Quick and easy to fit snowchains, available for all wheel sizes, offer greater control and pulling power when driving in snow and ice. When not in use can be stored in its own tough vinyl bag.

STC7565	255 x 16" and 255 x 18" Wheels
STC8518	235 x 16" Wheel
STC50142	215 x 16" Wheel

VINYL WHEEL COVER

Protect your spare wheel from mud and dirt with this premium quality padded vinyl cover, large printed with the distinctive Land Rover logo. Available in all wheel sizes.

STC50068	215 x 16" Wheels
STC8486AA	235 x 16" Wheels
STC50069	255 x 16" and 255 x 18" Wheels

MOULDED WHEEL COVER

Both spare wheel and tyre are protected in this attractive moulded wheel cover incorporating the jewelled Land Rover badge. Available for all wheel sizes.

STC50041	215 x 16" Wheels
STC50042	235 x 16" Wheels
STC50043	255 x 16" and 255 x 18" Wheels

POLISHED WHEEL COVER

Maximum protection from the elements with this good looking, mirror finished, premium quality stainless steel surround wheel cover. This two piece design with neat locking catch gives security with fast access, and looks great with centre disc in contemporary carbon fibre look and jewelled Land Rover badge.

Available for all wheel sizes.

STC50137	215 x 16" Wheels
STC50138	235 x 16" Wheels
STC50139	255 x 16" Wheels
STC50140	255 x 18" Wheels

BODY COLOURED WHEEL COVER

This stylish body coloured wheel cover, designed to blend with the vehicle bodywork, totally encases the spare wheel for maximum protection. The two piece design with neat locking catch is easy to operate but provides full security. Available for 235 and 255 wheel sizes only.

Available in the following body colours only:

Blenheim Silver	Chawton White
Oxford Blue	Cobar Blue
Rioja Red	Epsom Green

Part Numbers

Please ask your Land Rover Dealer for the correct part number for your wheel size and the colour you would like.

FRONT MUD FLAPS

Styled to complement the design of the standard fit rear mudflaps, these heavy duty front mudflaps help reduce spray and protect vehicle paintwork. Please note Front Mud Flaps are not needed when side runners specified and cannot be fitted in conjunction with side runners or side protection rails. Available only for Trim Level 1.

STC50067	Front Mud Flaps

INTERIOR - HI FI

CD AUTOCHANGER

A six disc unit with digital quality sound which is mounted discreetly under the seat and is compatible with Mid-line ICE head units.

Available for Trim levels 2 & 3 only.

STC50147 CD Autochanger

INTERIOR ENHANCEMENTS

PICNIC TABLES

Moulded in a stain resistant polyurethane, and quickly and easily erected using gas-filled struts, this useful picnic table fits onto the back of the front seats and provides a useful writing/eating surface for rear seat passengers. Please note that picnic tables cannot be used when front waterproof seat covers are fitted.

STC50071LPW Picnic tables, pair, Dark Smokestone

STC50071SUC Picnic tables, pair, Bahama Beige. Both products available December 1998.

REFRIGERATOR

Delicious, chilled food and drink is available at any time with this portable fridge, controllable down to -18 degrees C for frozen food. The tough polypropylene casing is impact resistant, and the unique strap system combines secure stowage with ease of removal. The fridge is powered from an auxiliary socket in the loadspace, and a 240 volt mains converter is also available.

STC8519AA Refrigerator

STC7896 Power lead

STC7814 Mains Converter

TWIN TOP ELECTRIC COOL/ HOT BOX

With a generous 22 litre capacity, this ingenious twin lid design will heat or cool food and drink and keep it that way for as long as you want. The first lid contains a cooler/heater unit, the second lid acts as an insulated box. The unit is large enough to take family sized 2 litre bottles, and the strap system combines secure stowage with ease of removal. The cool/hot box is powered from an auxiliary socket in the loadspace, and a 240 volt mains converter is also available (UK only).

External dimensions : Height 455mm (with cooling/heating lid) 430mm (with insulating lid)
Width 412mm, Depth 255mm.

STC7809AA Twin top electric cool/hot box

STC7890 Power lead

STC7814 Mains Converter

TOY BIN

Ideal for long journeys, this attractive and roomy bin will keep everyone happy: children have all their books and toys to hand, while you can keep the vehicle loadspace tidy and free from clutter. The toy bin features drinks can recesses and oddments tray moulded into the lid, incorporates a shoulder strap to aid transportation, and fits neatly into the recesses of the loadspace sides when occasional seats are in operation. Available for Trim levels 2, 3 & 4.

STC50070LPW Toy bin, Dark Smokestone

STC50070SUC Toy bin, Bahama Beige

SIDE LUGGAGE NETS

When you're travelling with a lot of shopping or want to store things neatly and safely these strong and durable luggage nets are ideal. Made from washable woven nylon they fit neatly into the loadspace sides.

Available for Trim Levels 1 & 2

STC50133 Side luggage nets, pair

LOAD RETENTION SYSTEM

The ultimate in versatile storage. Luggage straps lashed onto rings in the loadspace floor feature both nets and straps. The straps will secure large or bulky items whilst the luggage nets are ideal for smaller and more fragile cargo.

STC50073 Load retention system

Interior (Pages 18/21) continued

CUBBY BOX PHONE LID

Hide your carphone from prying eyes with this integrated twin-lid design which replaces the cubby box lid. The first lid opens to reveal a recess for a phone, the second lid gives access to the cubby box. The Phone Lid is colour keyed for beige or dark smokestone trim colours.

STC8934LPW Cubby box lid, Dark Smokestone

STC8934SUC Cubby box lid, Bahama Beige

SUNGLASSES HOLDER

This ingenious design fits neatly onto the headlining above the off-side door to house sunglasses when not in use. The holder is colour matched to the headlining in 'Mist Grey'.

STC50086 Sunglasses holder

ROCK-A-TOT BABY SEAT

Rock the baby to sleep with this removable seat designed for infants from birth to 12-15 months of age. The smooth rocker action provides a comforting motion to soothe restless babies, and the seat is easily fitted using lap and diagonal belts. The baby seat meets European standard ECE R44/03, and features a padded machine washable cover.

STC7975 Rock-A-Tot Baby Seat

GUARDIAN EXTRA BABY SEAT

This versatile seat, designed for babies from birth to approximately 4 years of age, can be used rearward facing in the back of the car for babies of up to 20lbs, or can be turned around for older children between 20lbs and 40lbs/9kg to 18kg. The seat is easily fitted using Discovery lap and diagonal belts, and features a machine washable padded cover and harness sleeves and buckle pad for added comfort.

STC50013 Guardian Extra Baby Seat

HORIZON BOOSTER CUSHION

Designed for older children from 4 to 11 years of age, the Booster cushion is quick and easy to install and features a machine washable padded cover.

STC7977 Horizon Booster Cushion

SUN BLIND KIT

Keep the interior of Discovery cool and shady in the daytime, and ensure the privacy of your rear seat passengers with this fully retractable cassette design for the rear door windows. The 'Magic screen' for fixed side windows gives maximum coverage.

STC50062 Sun blind set

AIR CONDITIONING

In the heat of the summer, bring the temperature down to a comfortable level. Discovery air conditioning uses a more sophisticated electrical system than aftermarket units to safeguard the vehicle electrics. The after market air conditioning kit meets factory specifications and maintains the vehicle warranty.

Available for Trim Levels 1, 2 & 3

Part Numbers

STC50079 Air conditioning, V8, LHD

STC50084 Air conditioning, TD5, RHD

STC50085 Air conditioning, TD5, LHD

*Dealer fit only

SINGLE SUNHATCH

Enjoy the sunshine with this neat design that includes venus anti-glare glass. The handwheel gives an infinitely variable tilt angle, or the hatch glass can be removed completely. This design meets factory specifications and maintains the vehicle warranty.

STC50083 Sunhatch

Interior Protection (Pages 18/21) continued

WATERPROOF SEAT COVERS

Protect Discovery's seat trim from wet, dirty clothes and general wear and tear with these waterproof seat covers. Head rest covers are included, and seams are taped for added protection. Rear seat armrest, cup holder and map pockets on the rear of front seats can still be used. The seat covers have been treated to meet automotive flammability standards, and are machine washable on a cool wash setting. When not in use, the seat covers can be stored away in their own carry bag. Please note that picnic trays cannot be used when waterproof seat covers are fitted.

STC50057SMK	Occasional seats, pair, Light stone

CARPET MATS

These luxury quality carpet mats provide positive retention for front carpets and are colour matched to the vehicle carpet. The design incorporates the distinctive Land Rover logo.

STC50046	Carpet mats, footwell set, Slate Grey
STC50047	Carpet mats, footwell set, Bahama beige

RUBBER MATS

These robust and stylish mats, featuring the Land Rover logo, will help to protect vehicle carpets from water, wear and tear and the muddiest boots. A perimeter wall retains mud or water so there's no danger of leakage.

STC50048	Rubber mats, footwell set
STC50049	Rubber mats, front pair

LOADSPACE MAT

Made from durable, flexible polyurethane material, the loadspace mat protects the loadspace floor from water, mud or general wear and tear. Available in full length (rear seats down) or half length (loadspace area only), the mat features cut-outs to allow use of loadspace lashing and rear seats.

STC50052	Loadspace mat, half length
STC50053	Loadspace mat, full length

RIGID LOADSPACE LINER

Manufactured from a tough, shatterproof ABS plastic, and with cut-outs to allow loadspace lashing to be used, the loadspace liner protects the floor and sides of the loadspace and can be hosed down in a matter of seconds. Available in full length (rear seats down) or half length (loadspace area only), the liner includes an anti slip mat.

STC50050	Loadspace liner, half length
STC50051	Loadspace liner, full length

DOG GUARD

To keep your dog safe, and to help keep the passenger space clean, the Dog Guard separates the loadspace area from the passenger compartment effectively and securely, but can be removed in seconds when not required. Available in Grey bar pattern design. Please note the Dog Guard should not be used when Occasional Seats are in use.

STC50082	Dog guard
-----------------	-----------

GUN/SECURITY BOX

For complete security and protection, this heavy gauge steel gun box is fitted with two high security locks and located in the loadspace by a strong metal plate. With enough room for two shotguns or valuables (Internal Dimensions 870mm X 190mm), contents are protected by generous foam padding. A padded, leather covered handle gives convenient portability. **PLEASE NOTE:** The gun box/security box should not be used when occasional seats are in use.

STC8018AB	Gun/security box
STC50076	Adapter kit, for STC8018AB gun/security box

Touring (Pages 22/23)

FIRE EXTINGUISHER

This CFC-Free dry powder fire extinguisher is particularly effective against the types of fire likely to occur with a vehicle. Strong canisters are fitted with safety interlocks to prevent accidental discharge.

- STC8138AA** 2.0kg Fire Extinguisher
STC8529AA 1.0kg Fire Extinguisher

FOOT PUMP & TYRE GAUGES

For safe, trouble free motoring these foot pump and tyre, recommended by international motor organisations, allow regular tyre checks.

- STC8243** Foot Pump
STC724 Tyre pressure and depth gauges

COCKPIT HANDLAMP

Powered from the Cigar Lighter, the Cockpit Handlamp features a halogen bulb providing ideal light for reading a map. A generous 300cm length of cable and magnetic base and mounting bracket make this the most versatile and useful handlamp you can carry.

- RTC9527** Cockpit Handlamp

BULB KIT

Contains New Discovery main light bulbs

- STC8247AA** Bulb kit

FIRST AID KIT

Housed in a soft bag, this comprehensive kit complies with EC legislation

- STC7642** First Aid Kit

WARNING TRIANGLE

Lightweight and tough, the warning triangle is visible even in the poorest of lighting conditions, and can be stored in its own plastic container when not in use.

- STC7641** Warning Triangle

Environmentally conscious

In addition to delivering improved fuel economy and reduced CO₂ emissions, the Discovery uses only water-based paints. Whilst providing the highest quality paint finish, the spraying process reduces solvent emissions by over 50%.

Ozone depleting gases such as CFC's and HCFC's have been eliminated from all vehicle components and production processes.

Discovery's manufacturing process improvements have resulted in 30% reductions in CO₂ emissions and 41% savings in water usage per vehicle. (Between 1991-1998.)

Innovative designing means that over 80% of the vehicle's components can be recycled at the end of its life.

A true 'lifetime ownership' philosophy ensures that your Discovery satisfies all your driving needs.
